Subject: Test America Data Available for validation

All,

Finally, 5 level-4 data packages have been downloaded and are ready to be validated. Data is on the J;/esat downloaded/dimock/testamerica.

The 5 data packages names start with J-16100-1, J-15895-1, J-15814-1, J-15712-1 and J-15570-1 followed by "_Std_Ta_LV4..."

As per TDF, ESAT should begin validation immediately.

Please contact me if there are any problems with these packages.

Fred
